Mild Steel Balustrade & Handrail

We manufacture our balustrade to suit both top and side fixed profiles.

Each design is available with matching wall-mounted handrail.

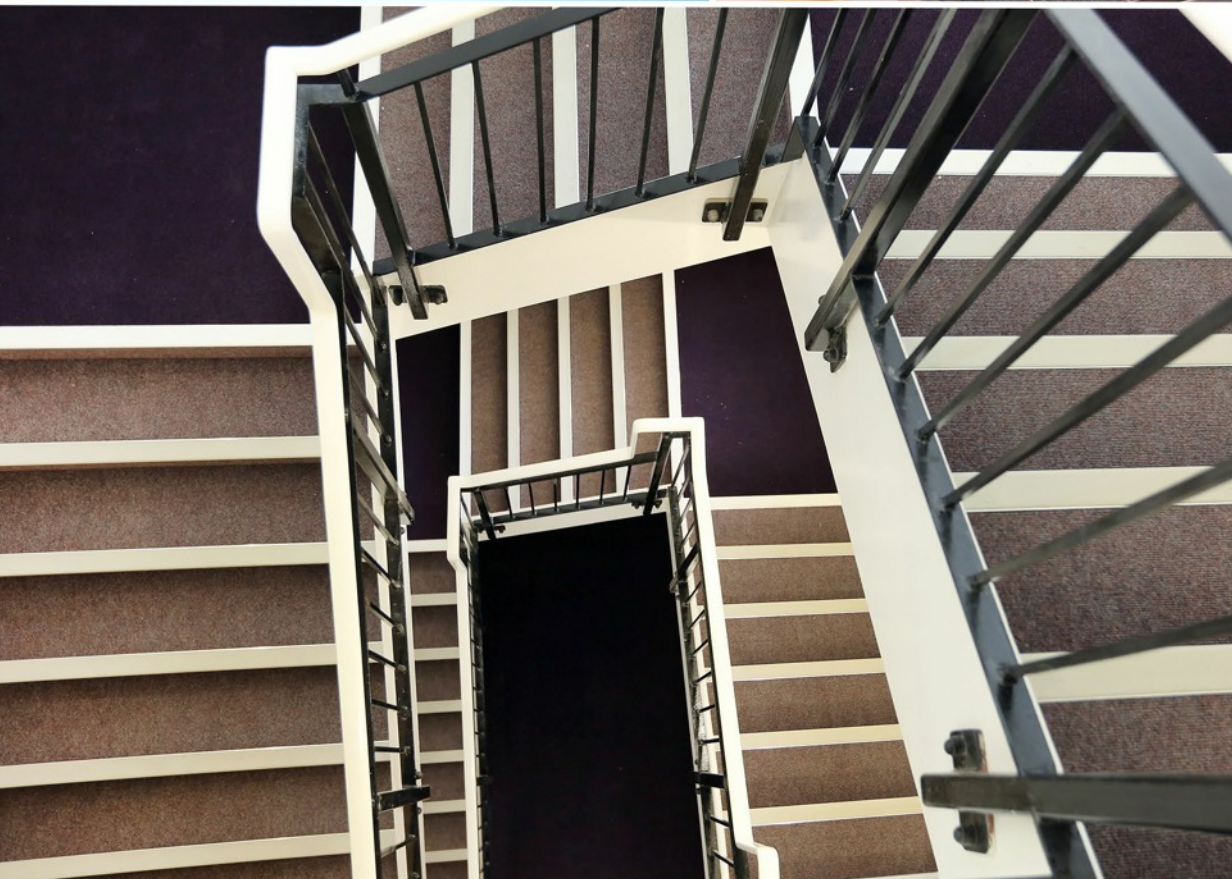

Finish Options Available:

- Primed
- Painted
- Galvanised
- Powder Coated
- "Not-cold-to-touch" Plascoated

Our standard balustrade can be engineered up to 3kN/m loadings

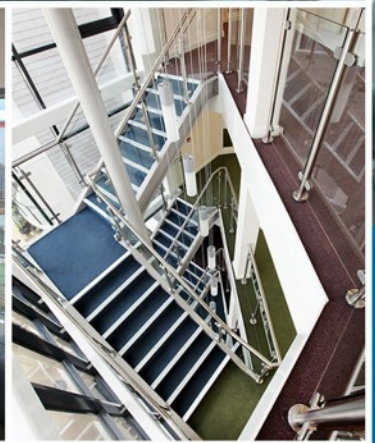

Stainless Steel Balustrade & Handrails

Steelcraft offer a range of designs in either internal grade [304] or external grade [316] steel.

We use high quality Q-Railing™ components.

To download our full product catalogue
visit www.steelcraftuk.com

Our stainless steel balustrade is available with the following options:

- *Toughened Glass Infill Panels*
- *Vertical or Horizontal Bar Infill*
- *Perforated Plate Infill Panels*
- *Tensioned Stainless Steel Wires*

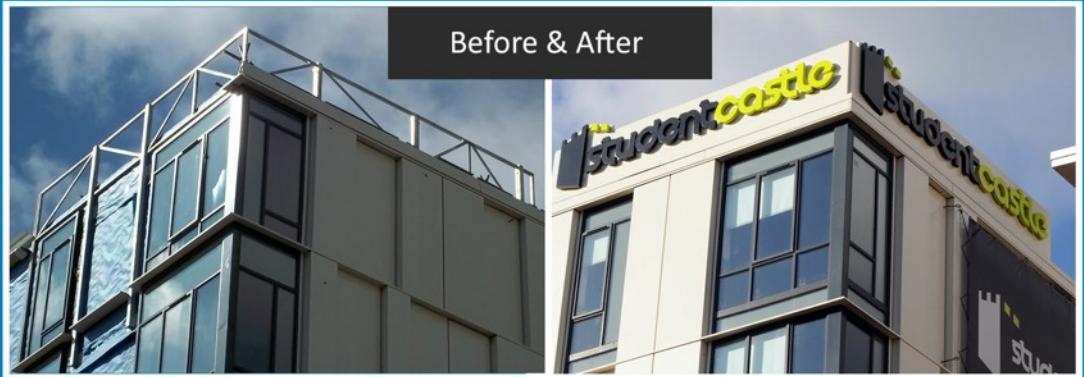

Secondary Steelwork and Staircases

We manufacture straight-flight and spiral staircases for internal & external applications with a variety of tread options.

Other products not shown include:

- Storage Compounds
- Shelters & Canopies
- Signs & Archways
- Cage Ladders & Companion Staircases
- Access Ramps
- Mezzanines
- Physical Security Products

Juliet & Balcony Balustrade

Walk-on balconies supplied as balustrade only or with a complete structural steel base.

Most designs are available in mild steel or stainless steel.

Balustrade fabricated to suit loadings from 0.74kN/m up to 3kN/m.

We offer a comprehensive range of standard Juliet balcony designs to suit openings from 900mm to 2400mm.

Bespoke Fencing and Gates

A photograph showing a high-security perimeter fence made of vertical metal bars topped with several strands of barbed wire. In the background, there are industrial-style buildings under a clear sky.

**We specialise in the manufacture
of bespoke products and can assist
in the development of your unique
design railings.**

A photograph of an ornate black metal railing with decorative finials and a central post topped with a pointed, spire-like structure. The railing is set against a green lawn and a blue sky with light clouds.

Our 'Northumbria' railings offer a
mix and match range of railheads,
post tops & panel features.

A photograph of a yellow and black metal railing with a decorative, fan-like pattern. It is installed on a paved area next to a white wall with a window.

Controlled gate access systems &
automation available.

A photograph of a black metal railing with decorative finials, overlooking a well-maintained garden with green grass, trees, and a brick wall in the background.
